House Bill 145

Committee: Economic Development and Tourism Sponsor: Representative Adline Clarke

Analyst: Mathieu Fuller Date: 03/04/2025

House Bill 145 as introduced could: (1) increase the obligations of the city of Mobile by an undetermined amount dependent upon the costs to establish a local program to enforce the provisions of the Alabama Scrap Tire Environmental Quality Act which could be offset by any funds received from the Alabama Department of Environmental Management (ADEM) from delegation agreements; and (2) decrease the administrative obligations of ADEM for delegating enforcement of that act in the city of Mobile.

This bill could also increase receipts to the State General Fund and municipal general funds from fines; increase receipts to the State General Fund, county general funds, municipal general funds, and other funds to which court costs are deposited; and could increase the obligations of the State General Fund, district attorneys, and local jails by an undetermined amount dependent upon the number of persons charged with and convicted of the offenses provided by this bill and the penalties imposed.
