House Bill 400

Committee: Ways and Means General Fund
Sponsor: Representative Ed Oliver
Analyst: Tiffany Weaver
Date: 02/19/2026

House Bill 400 as reported by the Committee on Ways and Means General Fund would increase the obligations of the Local Government Health Insurance Board, which is funded solely from contributions of local government employer participants, by a board-estimated $642,000 annually due to the minimum reimbursement rates set by this bill for health insurers to pay ground ambulance providers.

Further, this bill would increase the obligations of the Alabama Department of Public Health (ADPH) by an undetermined amount to adopt rules and obtain annual reports from emergency medical service providers and health care insurers due to the provisions of this bill.
